Hi Joe,

The following is a breakdown of what gifts we need for each region for the artists.

I would send this week's crew gifts (bags, t's, caps) to Susan & Scott at the hotel (then they can bring them over to sound check on Friday). For the remaining regions, you can send them to their office and they will send them to the markets.

You should probably bring the cameras (or send them to yourself at the hotels).

Please let me know if you have any questions.

Thanks

PS - we'll have 3 new judges this week, so we'll need to bring denim shirts and jackets for them. Maybe Nancy or Jason can give you a size breakdown for all of the judges, so you don't have to bring all of them to each market. You should also pack a few extra of each in case one of the club managers is extremely helpful.
